The Concept of race used by the Equal Employment Opportunity Commission does not denote clear-cut scientific definitions of anthropologic origins. For the purpose of this report an employee may be included in the group to which he or she appears to belong, identities with, or is regarded in the community as belonging. However, no person should be counted in more than one race/ethnic category

NOTE: 1 The Category "HISPANIC" while not a race identification is included as separate race/ethnic category because of the employment discrimination often encountered by this group; for this reason do not include HISPANIC under either "white" or "black".

For the purpose of this report the following race/ethnic categories will be used:

a) The Category "White" (not of Hispanic origins): All persons having origins in any of the original peoples of Europe North Africa or Middle East.
